## BACKGROUND TO COLLECTIVE WORSHIP AT OUR SCHOOL

According to 'The Agreed Syllabus for Religious Education' as outlined by Cambridgeshire City Council, 'every state-funded school must offer a curriculum which is balanced and broadly based, and which: promotes the spiritual, moral, cultural, mental and physical development of pupils, and prepares pupils at the school for the opportunities, responsibilities and experiences of later life...' 'The national curriculum in England: Framework document', September 2013, p.4

Families who send their children to Orton Wistow are in the main 'nominally' Christian, but we do also have some children from practising Christian families. In addition, there are children who are from religions other than Christianity such as Hinduism, Islam and Sikhism as well as some from non-religious backgrounds. We recognise that in asking our children to worship we have to consider the background that our children come from and it is therefore not the practice of this school to preach to or to convert the children. The faith background of both the staff and the child's families are respected at all times.

At Orton Wistow Primary School, collective worship is set within the context of 'Assemblies' – which may include other features besides those required of Collective Worship. Our assemblies are reflective of the fact that we are a multi-faith school. Our prayers and forms of worship are inclusive and broadly non-denominational.

### The School Community

Our school community is made up of individuals from many different religions and cultures. Assemblies are non-denominational and conducted in a manner which is sensitive to the faiths and beliefs of all members of the school community. We are proud of the diversity of our school community and as such hold assemblies that reflect and celebrate the traditions of the main religions, particularly those that are represented in the school and the wider community. These can include assemblies led by guest speakers on Judaism, Islam, Hinduism and Christianity.

### Aims and Purpose

Worship is regarded as a collective act or opportunity to think about and relate to God, and to consider and reflect upon how belief and faith in God may affect our lives. Worship regularly incorporates prayer and reflection.

Through collective worship we aim to:

- Develop religious literacy
- To gain and develop knowledge and understanding of Christianity and the other principal religions and world views represented in the UK
- To develop an understanding of the influence of the beliefs, values and traditions on individuals, communities, societies and cultures.
- To develop attitudes of respect towards other people who hold views and beliefs different from their own

- To develop the ability to make reasoned and informed judgements about religious issues, with reference to the principal religions and world views represented locally and in the UK

## **Organisation of Collective Worship**

Collective worship involves members of the school coming together and participating in an assembly **most days**. These assemblies normally involve all the pupils in the school (**with foundation stage joining in in the Spring Term**) and may be whole school assemblies or separate Key Stage assemblies, with their times varying accordingly. Assemblies will usually last about **20-30 minutes**. We conduct assemblies in a dignified and respectful way. We tell children that assembly time is a period of calm reflection. We regard it as a special time and expect children to behave in an appropriate manner. We ask them to be quiet and thoughtful and to listen carefully.

Our assemblies also reflect the achievements and learning of the children. We encourage children to participate by holding achievement assemblies during which we celebrate the children's work and successes. These assemblies provide an opportunity to reward children for their achievements both in and out of school and to celebrate them together. They also play an important part in promoting the ethos of the school - that all children and their achievements are valued. Assemblies are normally conducted by the Head Teacher, Deputy Head or other members of staff, but are sometimes led by visitors to the school.

Assemblies are planned around weekly themes. Themes are very broad to allow for flexibility and variety of delivery and include the major religious and cultural festivals as well as the SEAL (Social and Emotional Aspects of Learning) themes.

## **Right of Withdrawal from Collective Worship**

Every effort is made to show sensitivity towards personal faiths and to include all pupils and staff in collective worship. For example, when using a prayer from a particular faith, this is introduced with sensitivity and pupils are not required to say or affirm prayers in which they do not believe. There may be parts of an assembly, for example when a Christian hymn is sung, in which a pupil does not wish to participate. It is perfectly acceptable to withdraw from a part of the assembly by not participating. A parent may make a request for their child/children to be wholly or partly excused from attendance at religious worship at school. Staff should ensure that they have informed the Head of their decision to exercise their right of withdrawal from collective worship, but should note the requirement that they may be required to assist in the supervision of pupils in assembly, as necessary.
