Pause and Think Online

Pause – to stop what you are doing or saying
Online - controlled by or connected to a computer.
Safe - protected from or not exposed to danger or risk; not likely to be harmed
Internet - a global computer network providing a variety of information and communication facilities, consisting of interconnected networks using standardized communication protocols.

- Children will know to take a break from the internet/online to do other activities such as being outside, exercising and mixing with others.
- Children will know what things they can do online.
- Children will begin to know how to behave online to keep themselves safe and others happy.

- Understand the importance of being safe, responsible, and respectful online.
- Begin to understand that their actions online can have a positive or negative impact on others.

Children will continue to develop the skills required to stay safe online, these include:

- *balance your time.*
- *Listen to your gut to stay safe online.*
- *Think carefully about what they are leaving behind (digital footprint)*
- *to stand up to bullies online.*
- *be kind and respectful online.*
- *ask questions about what you see online.*
