

# Orton Wistow Primary School – Curriculum Plan

Subject: Online Safety

Year : 5

Term : Autumn

## Vocabulary

Define the word and include etymology if useful.

## Knowledge

What children will know

| Learning    | Teaching | Assessment |
|-------------|----------|------------|
| Remembering | Telling  | Testing    |

## Understanding

What children will understand

| Learning   | Teaching | Assessment |
|------------|----------|------------|
| Practising | Coaching | Observing  |

## Skills

What children will be able to do

| Learning   | Teaching     | Assessment |
|------------|--------------|------------|
| Reflecting | Facilitating | Evaluating |

**Finding My Media Balance** (media balance and well-being)

<https://www.commonsense.org/education/digital-citizenship/lesson/finding-my-media-balance>

**Balance** – a situation in which different elements are equal or in the correct proportions

**Media** – the main means of mass communication (broadcasting, publishing, and the Internet) regarded collectively.

**Digital media** - can be created, viewed, distributed, modified and preserved on digital electronics devices.

- Children will know what media-balance means. They will be able to identify digital-media and non-digital media.
- Know that a balanced choice of activities would include a mix of digital media, non-digital media, time with friends/family, being outdoors, alone time and hobbies

- Consider what "media balance" means, and how it applies to them.
- Understand the impact of an imbalance of media (what effect too much digital media can have on them and others)

- Reflect on how balanced they are in their daily lives.
- Consider which activities they do too much of or too little of.

**You Won't Believe This** (privacy and security)

<https://www.commonsense.org/education/digital-citizenship/lesson/you-wont-believe-this>

**Clickbait** – The desire we have to figure out missing information

**Security** – the state of being free from danger or threat.

**Advertising** – the activity of producing advertisements for commercial products or services

**Curiosity gap** – A way of enticing you in to fill a gap in your knowledge, the desire to find missing information

- Know that clickbait uses strategies such as making something seem impossible, tries to shock you or uses celebrity or a popular topic to make you click.
- Know that clicking on 'click bait' sites could lead to potentially visiting unwanted sites, viruses or someone stealing information.

- Understand that clickbait is there for alternative reasons such as advertising.
- Understand that these sites can be potentially dangerous

- Explain how clickbait uses the curiosity gap to get your attention.
- Use strategies for avoiding clickbait (identify the tactics used eg. Impossible/unbelievable, shock or celebrity).
