## OWPS Sponsored Event 2024

### Bolt to Berlin!

Dear Parents / Carers,

On Wednesday 7<sup>th</sup> February, we shall be holding our annual sponsored event in school. These events have always been a great way to raise money to go towards some exciting things for the pupils at OWPS.

This year's event will involve all the children completing laps of the Golden Mile. As the Football Euro's are being held in Berlin, we thought we could aim to complete the number of miles from Peterborough to Berlin, and maybe even back again! The event will be happening during the school day, and a tally will be taken to see if we do manage to complete the 365 miles.

All proceeds of our Sponsored event this year will go towards two areas of the school we wish to develop. The children who represent the School Council have raised concerns from classes that they do not have anything to play with when the weather is too wet to play outside. We are hoping therefore, that we can raise some money to buy board games and toys to enjoy during wet play times.

With help from Froglife, we are also hoping to build a Wildlife Pond in the Foundation Stage garden. This will be open to all children in the school and will obviously be used under supervision and will contain appropriate safety measures. Once the pond has been built, we will be able to carry out a range of activities such as pond dipping and identifying wildlife. Since the buildings at Lynch Wood have been updated, some of the water features mean that we have had frogs travel to the Foundation Stage garden looking for a new home! We are hoping this exciting development will mean all children in school can benefit from this, particularly as part of their Science lessons, as well as ensuring the local frogs are safe!

Every child will be given a card that will be stamped each time they complete a lap of the Golden mile that they will bring home to show you.

The payment item will be LIVE from Friday 2<sup>nd</sup> February for you to start making payments of your collected sponsor money.

The children will need to bring in their sponsor sheet by Monday 5<sup>th</sup> February and they will bring it home after the event with their total written on the bottom.
