

Head Teacher. Colin Marks
Trust Executive Deputies. Nick File
Trevor Goakes

Dear Parents and Carers,

12th July 2024

You may be aware, following information shared during our Transition Evening on 3rd July, that from September we will be retiring our class X (Twitter) pages. The platform no longer serves the same purpose it had when we first established the class pages many years ago. However, we still value opportunities to communicate with you at home about your child's learning and to give you an insight into day-to-day life at OWPS.

We are pleased to share with you that next year all classes will be using Class Dojo Stories. Class Stories has already been utilised in Foundation Stage and KS1 and follows a similar stream format to other social media platforms. Class Story is a closed community for parents linked to the account and provides a safe place for us to share photographs and messages specific to your child's class.

Please ensure that you are linked to your child's Class Dojo account. If you connected to your child's previous class on Dojo then this will be automatically transferred over when the new classes are created.

However, your child's class teacher will also send out a link for the account in September if you are not yet set up.

This channel will only be used for us to share information to you. If you wish to communicate a message with the class teacher, please continue to contact the school office via email or telephone as messages sent to Dojo will not be responded to.

Kind Regards

Mrs Fidgett
Director of Learning
